

Qualifications

- Must be a valid Southern Indiana Power commercial account in our electric service territory.
- Equipment must be new.
- To find out if your equipment qualifies, refer to the [Technical Specifications](#) for planned measures.
- If your total incentive request is greater than \$1,000, Pre-approval is required.
 - Before you purchase and install the equipment, submit your application, equipment worksheet, spec sheet, and a copy of the vendor's quote.
- Any project pre-approved and completed in a calendar year, must be submitted for payment in the same calendar year.
- Each customer is eligible for a maximum total incentive payment up to \$50,000 per calendar year.

Instructions

- Step 1:** Fill out all sections of this application, sign and date. Sections not filled out will delay review and payment.
- Step 2:** Fill out appropriate measure worksheet found here (i.e. [lighting](#), [motor](#), and [custom](#)). Fill out all sections. Sections not filled out will delay review and payment.
- Step 3:** Attach Manufacturer's Technical Specification Sheets (Spec sheets/Cut Sheets) for each measure. Not providing this will delay review and payment.
- Step 4:** Attach vendor's quote or invoice. NOTE: Quote and/or Invoices need to be itemized noting quantity, make, model and unit price for each item.

Form Submittal

Make a copy for your records before submitting.

SUBMIT electronically (recommended) by emailing all required documentation to rebates@hepn.com.

Print and Mail to:

C&I Program Coordinator
Hoosier Energy
P.O. Box 908
Bloomington, IN 47402

Southern Indiana Power

The incentives are available to all businesses, regardless of the number of employees.

These programs help you more effectively manage energy use and lessen the impact of increasing power costs.

If you have any questions and/or concerns on any part of the application process, please contact your Key Account Manager at Southern Indiana Power or email rebates@hepn.com and someone will contact you.
